As the darkness of night is broken by "THE DAWNING" of the sun, so has long preparation burst into new light; thus will the future years grow and strengthen. This year has given challenge to the students of Nampa Christian High spiritually, academically, and socially through our education with a plus.

In pictures and words we captured the valuable memories spent together in this first year at Nampa Christian High. 1959-60

To you, who have prayed and will continue your

To you, our parents, we dedicate this first

Wood, brick and mortar put in place by skilled men meant the construction of Nampa Christian High. No, these were not just put in place by skilled men; they were prayed into place by dedicated Christians who wanted to offer a Christian Education for High School students.

Those who drive past this beautiful building on Orchard Avenue, see only a constructed building but those who have been inside its walls and felt its influence know it is a miracle and answer to many long hours of faithful prayer.

One year ago we could not foresee this Academy and its influence in our lives, but through the sincere dedication of many Christians and their visions this school has become a reality and marker of Christian Progress.

On the right are the steps of long toilsome labor, moving the old College High building to the new site on Orchard. We hope this structure will continue to grow and strengthen the lives of many students as the years progress.

Dear Mrs. Trowbridge;
My goodness, you sure have been busy this year but? Getting a husband and all; as usual I have appreciated your un-failing testimony. Also I have enjoyed sitting beside you in a couple of classes. Good luck as you finish High-school and college and may God richly bless and keep you.

Your Guidance Has Been Our Gain

A Word From Our Principal

As the first year of Nampa Christian High School draws to a close I must write a few personal thoughts as they come to me and say farewell and God speed to those who will not return to our high school because of graduation, and a hearty welcome to those who plan to enter our school next fall.

The title of the annual has been well chosen, for you know that the beautiful name "Aurora" comes from the Romans and means "The Dawn". While the real definition of the word was only to explain a force in nature to the Ancients, yet to us the name has a great significance, for we believe that this year of 1959-60 is the real dawn of Christian education in our new school here on Orchard Ave. This has been made possible by the help and guidance of the Holy Spirit. The memories of this year will linger long. Our chapels, classrooms, churches, victories on the fields and in the gymnasiums, the choir, all have added to the interests of this wonderful year. These cannot but leave memories that will go with us down through the years to come. All of us are aware that God has wonderfully helped us in our many problems in getting started as a new high school, and as the year draws to a close we wish to give Him all the praise.

To you who have contributed so very much and labored long hours to make the "Aurora" a success I say sincerely, "thanks".

Our Staff

Under the very capable leadership of the school board the school made remarkable progress in every phase of school life.

A beautiful cafeteria was built in the school. Under the supervision of Mrs. Cramer, approximately one hundred students enjoy a delicious hot lunch daily.

The board also purchased a school bus to provide transportation for our students. Mr. Phil Younger has been the very capable and patient driver.

The office has been managed by Becky Henry, with Sharon Lancaster, student helper.

Mrs. Fairbanks has been our bookkeeper, responsible for paying the bills and balancing the books.

Student Government

Ken Tippitt

Associated Student Body President

Student Government is one of the most vital parts of any school's life. Through Student Government the other important functions of the school are organized.

With the new school came some new problems and responsibilities which were handled by the "1959-60" council. I sincerely hope we have been a strong "first" link in what will grow to be a long chain of Student Councils.

Merlyn Lubiens, Vice-President; Judy Hoffman, Sec.; Harriet Sharp, Treasurer.

The Student Council has played a very important part in this first year of Nampa Christian High School. Being a new school, N. C. H. S. had to reorganize all activities and functions.

The Student Council's first order of business was to write and revise a school constitution. Then, all clubs and organizations submitted constitutions to the council for approval. School colors and school sports names were selected and voted on by the student body.

Various activities sponsored by the Student Council included an all School Get-Acquainted Party, an invitational given by Greenleaf Academy, "Hat" day, dress-up day, and a talent program.

It is the desire of your 1959-60 Student Council that Nampa Christian High School will continue to grow spiritually, socially, and scholastically.

Through-out the year 1959-60, the Junior Class, under the guidance of Mr. Ed Manley, class sponsor, grew both scholastically and spiritually. Some events which will long be remembered were the Halloween party, a scavenger hunt, held at Mangum's and a Christmas Party, ice-skating at Sugar Beet with a chili feed at Gibson's afterward.

All through the year the Junior and Senior classes had their traditional rivalry, but they both got together at the end of the year for the once-in-a-lifetime Jr.-Sr. banquet.

Sophomores

The first Sophomore Class of N.C.H.S., enjoyed a great year of fun and Christian fellowship, together.

Some of the highlights of the Sophomore year were the Halloween Party, Freshman-Sophomore Flag Hunt (Sophomores victors), and the Sophomore Sweetheart Banquet.

This year, the Sophomore Class is under the leadership of their advisor, Mrs. Wesche.

The beginning of 1959 brought a Freshman class full of promising young people.

The annual Freshman-Sophomore Flag-hunt was enjoyable even with the mud and rain. Naturally the Sophomores won but it was fun trying. After the flags were found we all gathered at Fellowship Hall for refreshments.

As Oct. 31 rolled around we found the Freshmen being entertained with games and a variety of films. Refreshments of candied apples, pop corn balls, and root-beer were served. This was held in a barn that had a Halloween atmosphere.

In February the class enjoyed a snow party at Bogus Basin.

All through the year we have really appreciated and enjoyed our wonderful sponsor, Mr. Phil Younger.
